Title: Rewriting the SGA Constitution

Author: Vice President Michael McIntyre

Date: February 13, 2024

- Whereas:** The SGA team has undergone significant changes in regards to size and therefore scope; and,
- Whereas:** The previous SGA Constitution that was created and amended for past iterations of SGA no longer supports the current model; and,
- Whereas:** Any effort to make amendments to create a more suitable and sustainable Constitution is rendered impossible by the qualifications for amendment within it; and,
- Whereas:** SGA cannot faithfully serve the APU Student Body without a working Constitution; therefore,
- Be It Resolved:** The SGA Constitution shall be rewritten to be more suitable for the current state of SGA and APU, as well as have the flexibility to serve those in the future; and,
- Be It Further Resolved:** This Constitution shall be voted upon for ratification at the next SGA Election.
